Test Reflection Lessons 4.1 - 4.9 - will be collected on _____

First, reflect on your studying for this test:

What did you do to study for this test?

What new strategies do you want to try the next time you are studying for a math test or quiz?

Second, use the chart below to complete your test reflection. For each question where you made a mistake, you should identify the topic, choose a reflection sentence regarding your mistake, and correct the problem.

The following choices can be used as your reflection. You can pick more than one if needed.

1. I read the question incorrectly.
2. I did not study this particular topic enough.
3. I made a small technical error.
4. I did not understand what the question was asking.
5. Other... (If you choose this selection, you must include a detailed description about why you answered the question incorrectly)
